

LU03b - Kaggle.com Teilbereiche

Im vorherigen Kapitel haben Sie eine Übersicht über die Features von Kaggle erhalten. In diesem Kapitel wollen wir uns diese Features unter die Lupe nehmen, wie in der nachfolgenden Abbildung ersichtlich.

Navigation Bar: Menu

Hinter der Navigation Bar sind verschiedene spannende Features zu finden.

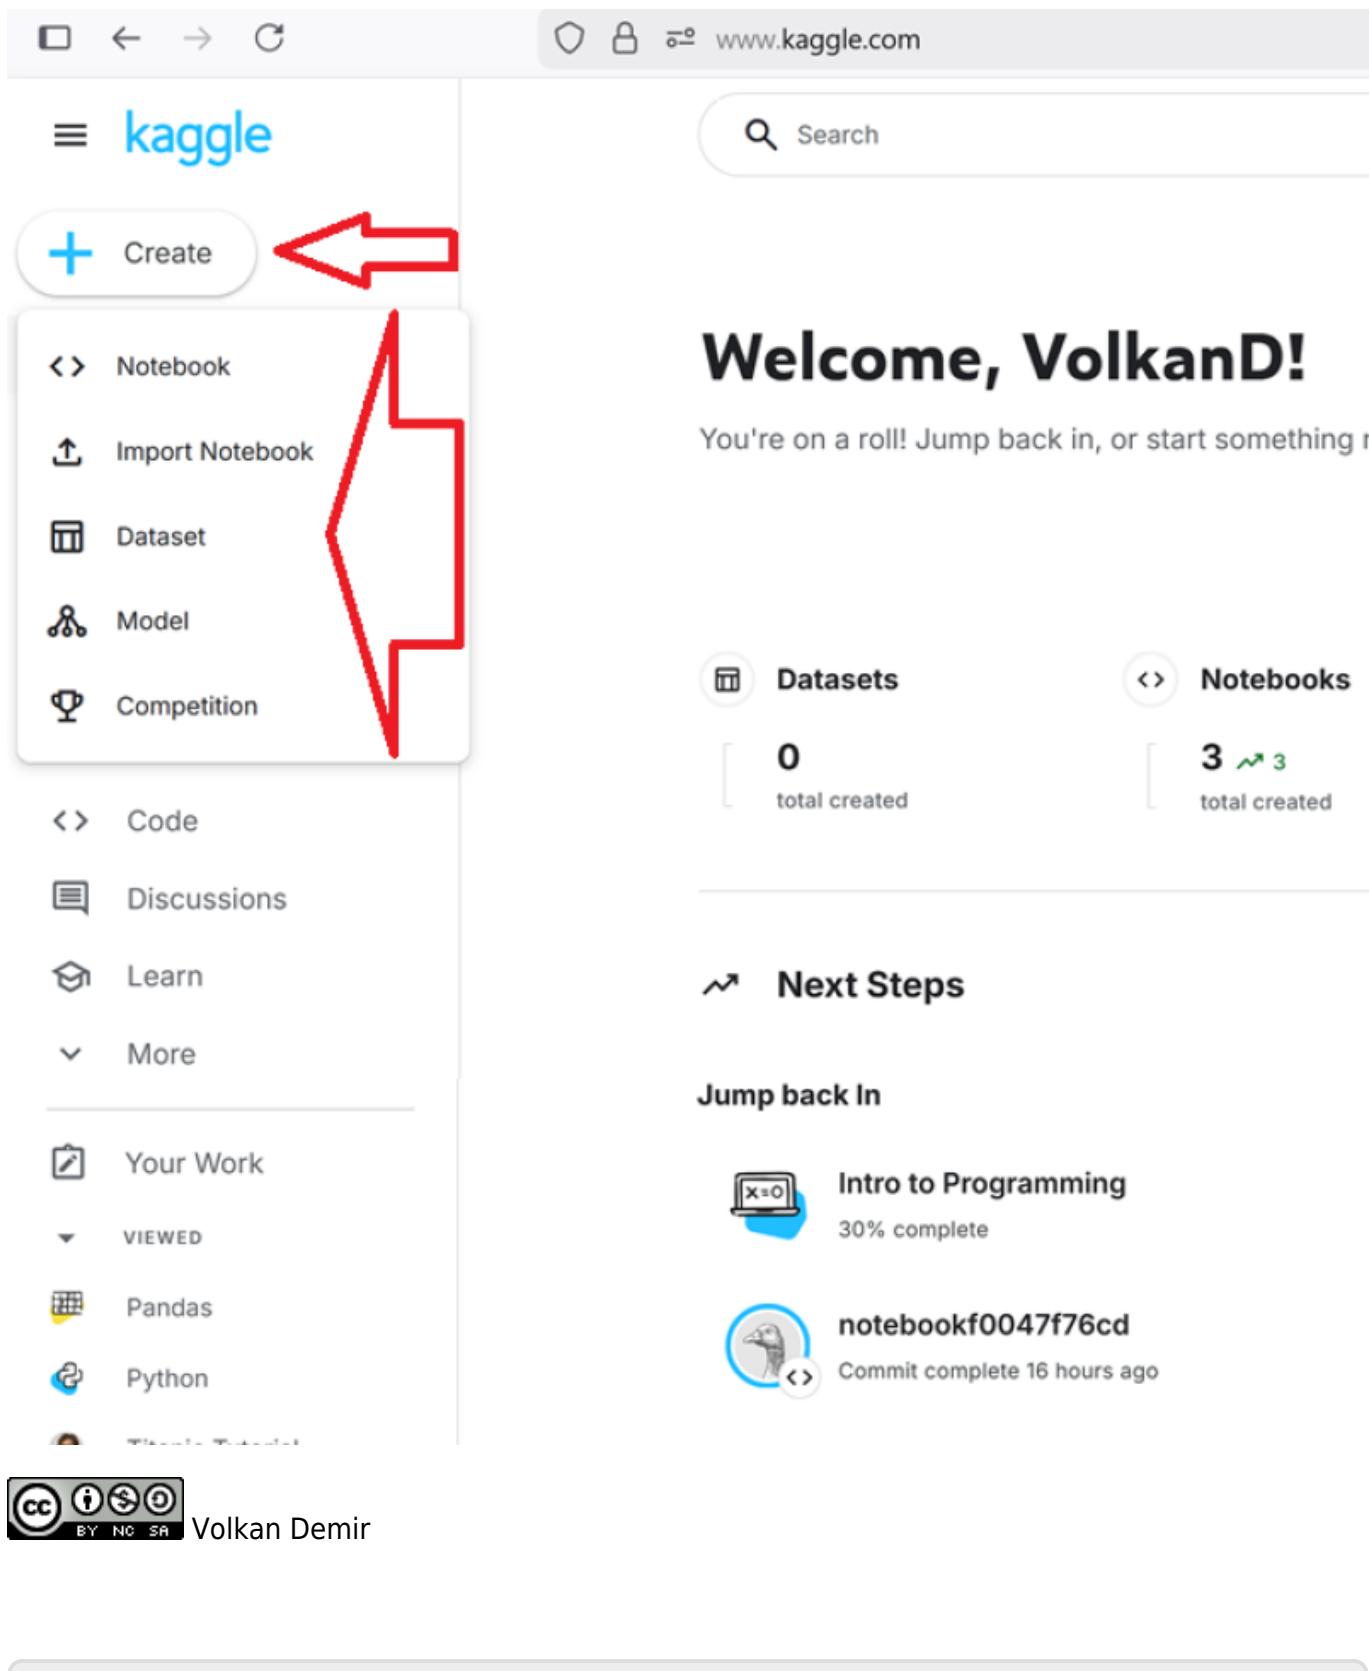

- Wettbewerbe / Competitions
- Datasets
- Models
- Benchmarks
- Game Arena
- Code
- Discussions
- Learn
- More (Ranking, Progression, Docu, ...)

Navigation Bar: Your Work

Hier finden wir die Übersicht über unseren persönlichen Arbeits- und Lernfortschritt

Navigation Bar: + Create

Mit dem Button **+ Create** können wir weitere Elemente zum Menu hinzufügen.

The screenshot shows the Kaggle homepage. On the left, a navigation bar is visible with a 'Create' button highlighted by a large red arrow. The 'Create' button is located at the top of a dropdown menu that lists various options: Notebook, Import Notebook, Dataset, Model, Competition, Code, Discussions, Learn, and More. Below this, there are sections for 'Your Work' (VIEWED: Pandas, Python) and 'Recent Activity' (Intro to Programming, notebookf0047f76cd). The main content area features a 'Welcome, Volkand!' message and sections for Datasets (0 total created) and Notebooks (3 total created). A 'Next Steps' section includes a 'Jump back in' button and a list of recent commits.
