The screenshot shows the Kaggle homepage. At the top left is the 'kaggle' logo. To its right is a search bar with the placeholder 'Search'. Below the logo is a navigation bar with icons for Notebook, Import Notebook, Dataset, Model, Competition, Code, Discussions, Learn, and More. A red arrow points from the '+ Create' button in the navigation bar down to a dropdown menu. This dropdown menu contains links for Notebook, Import Notebook, Dataset, Model, Competition, and Code. A large red arrow points from the bottom of this dropdown menu up towards the 'Create' button in the navigation bar. To the right of the navigation bar, the main content area displays a welcome message 'Welcome, Volkand!' and a status message 'You're on a roll! Jump back in, or start something new.' Below this are sections for 'Datasets' (0 total created) and 'Notebooks' (3 total created). Further down are 'Next Steps' (Intro to Programming, 30% complete) and a 'Jump back in' section (notebookf0047f76cd, Commit complete 16 hours ago). At the bottom left is a Creative Commons license logo (CC BY NC SA), and at the bottom right is the name 'Volkan Demir'.
