Learning Objectives

1. Learning how to make use of the W3School VUE playground

Prequisites

- Work type: Individual
- Means of aid:
  - [W3School VUE Introduction](#)
  - [W3School VUE Playground](#)
- Timeframe: 10 Minutes
- Expected result: Word/PDF-File with rephrased modul objectives in the student's own words, including familiar and unfamiliar technical terms

Introduction

You have learnt that W3School provides us with a playground to mess around without any harm. As always, we start with our „Hello World".

Assignments 1

1. Open the playground with the link above. You will be presented with a splited window on which on the right hand side you will see the coding area, and on the right hand side the result area.
2. Change the already existing text *Hello Pink Galaxy*
3. Execute the change by bushing the *RUN-Button*
4. Check the result

Assignment 2

1. Create a second css-class *.blueBG* in analogy to *.pinkBG* which changes the background colour to lightBlue.
2. Make use of it i the *script* area
3. Execute the change by bushing the *RUN-Button*
4. Check the result
