Introduction

You have learnt that W3School provides us with a playground to mess around without any harm. As always, we start with our "Hello World".

Assignments

- 1. Open the playground with the link above. You will be presented with a splited window on which on the right hand side you will see the coding area, and on the right hand side the result area.
- 2. Currently there is a Hello World message with a lightgreen background.
- 3. Change the already existing text Hello Pink Galaxy with a lightpink background
- 4. Execute the change by bushing the RUN-Button
- 5. Check the result
