# LU05.S06 - v-bind with shorthand

Assignment

1. Open the URL with the exercise, which is given above.
2. Add to the *style-area* a new class *myClass2* with the *background-color: red*
3. Add a new *div* which incorporates the second style element.
4. Toggle in the *script* area with the values *true* and *false*, which activates and deactivates wether the style are being used or not
5. Execute your script by having it *run*.
6. Save your solution accordingly. Therefore you might need a W3-School-Account.
