The screenshot shows the JetBrains account dashboard. At the top, there is a navigation bar with links for 'Simo Hug', 'Transactions / Invoices', 'JetBrains AI Settings', 'Notifications', and 'Payment Methods'. A green banner at the top right says 'Two-factor authentication is available! To enable an extra layer of security for your JetBrains Account, turn on two-factor auth.' On the right side, there is a 'Rate us' button with a fire icon. Below the banner, a blue button says 'Buy new license'. The main content area is titled '1 Educational Pack License'. It shows a summary of the license: 'Licensed to: [redacted]', 'License restriction: For educational use only', and 'Valid through: August 23, 2025'. It also lists 'Following products included:' with a grid of icons for CLion, dotTrace, ReSharper, RustRover, DataGrip, GoLand, ReSharper C++, WebStorm, DataSpell, IntelliJ IDEA Ultimate, ReSharper SQL support, dotCover, PhpStorm, Rider, and dotMemory, PyCharm, and RubyMine. A red box highlights the 'Renew my Education Pack' button. Below the products, a note says 'After downloading and installing the software, simply run it and follow the on-screen prompts to sign in with your JetBrains Account.' At the bottom of the page, there is a footer with links for 'Copyright © 2000–2025 JetBrains s.r.o.', 'Help', 'Support', 'JetBrains Privacy Policy', 'JetBrains Account Agreement', and 'Build #2025.08-4049'.
