The screenshot shows the JetBrains account interface. At the top left is the user name 'Simo Hug' and a navigation menu with links for 'Transactions / Invoices', 'JetBrains AI Settings', 'Notifications', and 'Payment Methods'. A green notification banner at the top right says 'Two-factor authentication is available!'. The main section is titled '1 Educational Pack License' and features a 'Buy new license' button. Below this, the 'JetBrains Educational Pack' details are shown, including the license ID, restriction to educational use only, and a validity period until August 23, 2025. A list of included products is provided, such as CLion, DataGrip, IntelliJ IDEA Ultimate, and others. A 'Renew my Education Pack' button is highlighted with a red box, and a 'Buy with 40% OFF' offer is also visible. The footer contains copyright information and build numbers.
