The screenshot shows the JetBrains account dashboard. At the top, there's a navigation bar with links for 'Transactions / Invoices', 'JetBrains AI Settings', 'Notifications', and 'Payment Methods'. A green banner at the top right says 'Two-factor authentication is available! To enable an extra layer of security for your JetBrains Account, turn on two-factor auth.' On the right side, there's a 'Rate us' button with a flame icon. Below the banner, the main content area is titled '1 Educational Pack License'. It shows a summary of the license: 'Licensed to:' (redacted), 'License restriction: For educational use only', and 'Valid through: August 23, 2025'. There are two prominent buttons: 'Buy with 40% OFF' and 'Renew my Education Pack' (which is highlighted with a red box). Below these buttons, a list of included products is shown in two columns:

• CLion	• DataGrip	• DataSpell	• dotCover	• dotMemory
• dotTrace	• GoLand	• IntelliJ IDEA Ultimate	• PhpStorm	• PyCharm
• ReSharper	• ReSharper C++	• ReSharper SQL support	• Rider	• RubyMine
• RustRover	• WebStorm			

At the bottom of the main content area, a note says: 'After downloading and installing the software, simply run it and follow the on-screen prompts to sign in with your JetBrains Account.'

At the very bottom of the page, there's a footer with copyright information: 'Copyright © 2000–2025 JetBrains s.r.o.' and 'Build #2025.08-4040'.
