

LU01a - Moduladministration

LU01a is about the administration of the modul's content and consist subsequently of three sub chapters:

1. the goals we are supposed to achieve at the end of the modul 290
2. we are provided with details about the exams and the weighting of such
3. required software, how to install them, and how to check their operational functionality

M290-LU01
