

LU01a - Modul administration

Learning objectives

I can explain the learning objectives, which are stated in the module definition. I can name the dates, the material aids, the type of test and their weighting, that will take place in Module 290. I can name which software packages are required in Module 290, and describe the purpose of these packages. I am able to install the required software packages.

The learning unit LU01a deals with the management of the contents of the m290 and consists of the following three sub-chapters:

1. the goals we are supposed to achieve at the end of the modul 290
2. details about the exams and the weighting of such
3. required software, how to install them, and how to check their operational functionalitiy
