The screenshot shows the W3Schools website for the SQL tutorial. The navigation menu on the left is highlighted with a red circle, and the 'SQL' link is also circled in red. The main content area features a green banner with the text 'Start learning SQL now »'. Below this, there is a section titled 'Examples in Each Chapter' with the text 'With our online SQL editor, you can edit the SQL statements, and click on a button to view the result.' An example SQL query is shown in a text input field: 'SELECT * FROM Customers;'. Below the input field is a green button labeled 'Try it Yourself »', which is also circled in red. To the right of the input field is a button labeled 'Get your own SQL Server'.
